Convention Bazaar Information

Dar Al-Hijrah Islamic convention has prepared a wonderful bazaar space for you to market your goods and services. You could display and sell such items as clothing, books, audio-visuals, etc. Registration is required to enter the bazaar hall. It is a chance for your business to be known to your community. We are expecting a large turnout. The bazaar is located in the exhibit halls and easily accessible to all the attendees. Space is limited and applications are processed on first come, first served basis.

Tables could be reserved at affordable prices. Every first table is reserved for \$200.00 (two hundred dollars), and every table after that would be at 50% discount.

For information or questions about the bazaar, please contact Abdikarim Haille at phone (612) 227-8374 or email: hail0034@umn.edu
